

ACTION CARD

for control of persons

Basic routine

- Compare the photograph in the passport with the person in front of you.
- Ask the applicant to stand up. Compare his/her height with that stated in the passport.
- If necessary, ask control questions. For example, ask how old the applicant will be on his or her next birthday.

When comparing the photo with the applicant, compare facial details, the overall facial shape and distinguishing features (scars, marks etc).
